Temas tablosu — benzer fotoğraflar

Sanatçının 11 Ekim isteği: "bazı resimler azaltılabilir, benzer fotoğraflar bir arada". Her eserin sitede görünen fotoğrafları yan yana. **Aynı renkli çerçeve** = bilgisayarın birbirine çok benzer bulduğu kareler (öneri, kesin değil). **Sitede kalmasını istemediğiniz karelerin kodunu yazın** (ör. RS03-07). Hiçbir fotoğraf silinmeyecek, yalnız sitede gizlenecek.
Toplam 466 fotoğraf, 50 eser; benzer gruplarda 335 kare. Benzerlik: biçim (dHash ≤ 18/64) ya da renk (≥ 0.75) + biçim (≤ 32/64).
